NOTES AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2015

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of Preparation

The directors have prepared the financial report on the basis that the company is not a reporting entity as there are unlikely to exist users who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs. Accordingly, this "Special Purpose Financial Report" has been prepared for the purposes of complying with the Australian Charities and Not-for-profits Commission Act 2012 requirements to prepare and distribute financial statements to the members of Australian Health Promotion Association Ltd.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of:

AASB 101 Presentation of Financial Statements

AASB 107 Statement of Cash Flows

AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors

AASB 1031 Materiality

AASB 1048 Interpretations and Application of Standards

AASB 1054 Australian Additional Disclosures

These Financial Statements do not conform with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

b) Significant Accounting Judgements & Estimates

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

There are no estimates or judgements which have risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year.

c) Income Tax

The company is exempt from income tax pursuant to the Income Tax Assessment Act 1997. Accordingly, Australian Accounting Standard AASB 112 has not been applied and no provision for income tax has been included in the financial statements.

FOR THE YEAR ENDED 31 DECEMBER 2015

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

d) Revenue Recognition

Grant revenue is recognised in the statement of comprehensive income when the Company obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the Association and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the Association incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Australian Health Promotion Association Ltd. receives non-reciprocal contributions of assets from the government and other parties for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the statement of financial position, with a corresponding amount of income recognised in the statement of comprehensive income.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue from members is recognised upon the delivery of the membership to the members which is over a twelve month period.

All revenue is stated net of the amount of goods and services tax (GST).

e) Goods & Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

f) Cash & Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowing in current liabilities on the statement of financial position.

g) Property, Plant & Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

The depreciation rates used for each class of depreciable assets are:

Plant and Equipment	25%
---------------------	-----

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

h) Trade & Other Payables

Trade & other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**REVIEWER'S INDEPENDENCE DECLARATION UNDER SECTION 60-40 OF THE AUSTRALIAN
CHARITIES & NOT-FOR-PROFIT COMMISSION ACT 2012 TO THE DIRECTORS OF AUSTRALIAN
HEALTH PROMOTION ASSOCIATION LTD**

I declare that to the best of my knowledge and belief, during the period ended 31 December 2015 there have been:

- i) no contraventions of the reviewer independence requirements as set out in the Australian Charities and Not-for-profit Commission Act 2012 in relation to the review; and
- ii) no contraventions of any applicable code of professional conduct in relation to the review.

Simon Fry
Registered Company Auditor

Dated this 20 day of JUNE 2016

Independent review report

To the members of Australian Health Promotion Association Ltd

Report on the financial report

I have reviewed the accompanying financial report, being a special purpose financial report of Australian Health Promotion Association Ltd, which comprises the statement of financial position as at 31 December 2015, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' and responsible persons declarations.

Directors' responsibility for the financial report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act) and the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Assurance practitioner's responsibility

My responsibility is to express a conclusion on the financial report based on my review. I conducted my review in accordance with Auditing Standard on Review Engagements ASRE 2415 *Review of a Financial Report – Company Limited by Guarantee*, in order to state whether, on the basis of the procedures described, anything has come to my attention that causes me to believe that the financial report does not satisfy the requirements of Division 60 of the ACNC Act including; giving a true and fair view of the Company's financial position as at 31 December 2015 and its performance for the year ended on that date; and complying with the Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Regulation 2013 (ACNC Regulation). ASRE 2415 requires that I comply with the ethical requirements relevant to the review of the financial report.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, which is not an audit, nothing has come to my attention that causes me to believe that the financial report of Australian Health Promotion Association Ltd does not satisfy the requirements of Division 60 of the Australian Charities and Not-for-profits Commission Act 2012 including:

- a) giving a true and fair view of the company's financial position as at 31 December 2015 and of its performance for the year ended on that date; and
- b) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

Basis of Accounting

Without modifying my conclusion, I draw attention to Note 1 to the financial report which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Directors' financial reporting responsibilities under section 60-50(3) of the ACNC Act. As a result, the financial report may not be suitable for another purpose.
